Kaltura

- UBC's YouTube
- Integrated with Canvas
- Available to students and instructors
- Capture, Edit, Caption, Share

Kaltura Capture

- Launch
- Install
- Record
- Upload

The screenshot displays a web browser window with the Canvas LMS interface. The browser tabs include 'The University of British Columbia', 'Asynchronous Teaching: Using V...', 'Lesson plan - Google Slides', and 'Dashboard'. The address bar shows 'canvas.ubc.ca'. The dashboard header features the UBC logo and a navigation menu with options: Account, Admin, Dashboard, Courses, Groups, Calendar, Inbox, Commons, and Help. The main content area is titled 'Dashboard' and 'Published Courses (18)'. It displays a grid of course cards:

- Arshiya Malik ACR sandbox** (amACRsb)
- ETS LTR Handbook** (ETSOPS.LTR Handbook)
- ETS Sandbox** (SB.ETS Sandbox)
- Canvas 101** (Canvas 101)
- Coralie Tcheune ACR sandbox** (ctACRsb)
- Effective Discussion Design & Fac...** (CTLT_Discussion Design & Fac...)

On the right side, there are notifications for 'Grade File Upload Test' and 'Take Unnamed Quiz', a 'Coming Up' section with a 'View Calendar' link, and a 'Recent Feedback' section with a 'View Grades' button.

Look for the rainbow icon

The screenshot displays the Canvas LMS page editor interface. The browser tabs at the top include 'The University of British Columbia', 'Asynchronous Teaching: Using Video', 'Lesson plan - Google Slides', and 'My Media'. The address bar shows the URL 'canvas.ubc.ca/courses/61902/pages/asynchronous-teaching-using-video/edit'. The left sidebar contains navigation links: Home, Account, Admin, Dashboard, Courses, Groups, Calendar, Inbox, Commons, and Help. The main content area is titled 'Asynchronous Teaching: Using Video' and features an HTML Editor with a toolbar and a text area containing the text 'Kaltura Capture|'. Below the text area is an 'Options' section with a dropdown menu set to 'Only teachers' and a checkbox for 'Add to student to do'. On the right, there are tabs for 'Links', 'Files', and 'Images', and a list of course content items: Pages, Assignments, Quizzes, Announcements, Discussions, Modules, and Course Navigation.

Screen Recording

The image shows a screen recording of a Google Slides presentation titled "Lesson plan". The browser address bar shows the URL: docs.google.com/presentation/d/1lpjwf5S1hpH6mVYP_BKunRE00ETV5_BvicMvVm6g2uA/edit#slide=id.gc6f919934_0_20. The presentation interface includes a menu bar (File, Edit, View, Insert, Format, Slide, Arrange, Tools, Add-ons, Help) and a toolbar. A slide thumbnail pane on the left shows slides 2 through 7, with slide 5, titled "Procedure", selected. A "Whiteboard" window is overlaid on the slide, containing handwritten yellow text "we", a yellow scribble, and a black scribble. Below the whiteboard, the text "Hello World!" is visible. A blue text box at the bottom of the whiteboard contains the text "Hello There!". A recording control bar at the bottom right shows a pause icon and a timer at 00:02:35. The macOS dock at the bottom contains various application icons, including Safari, Spotlight, Mail, Calendar (showing the date 31), Notes, Messages, WhatsApp, Slack, Spotify, and Chrome.

My Media

- Every video you have ever uploaded
- Same no matter which course you are in
- Unique to every individual

Media Gallery

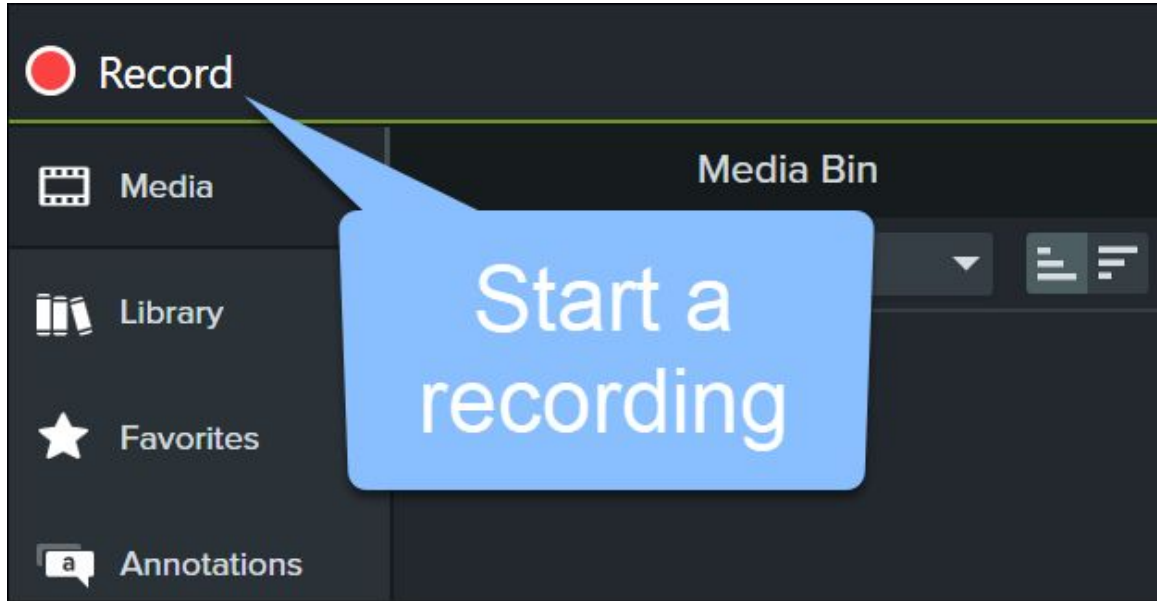

- All videos published to a course shell
- Can include videos by other people in the section
 - The instructor has to approve which video gets published
- Will be different for each course

Camtasia

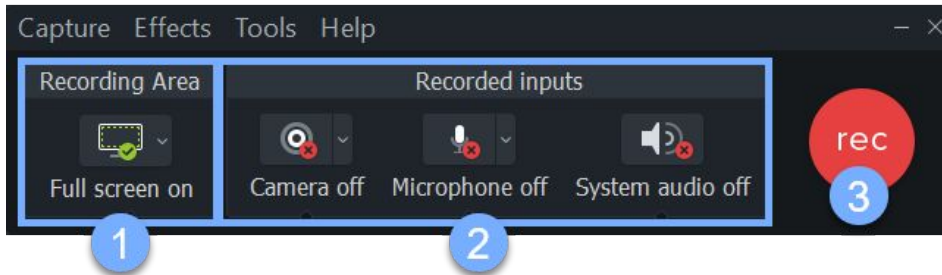

- Powerful screen recording and video editing tool
